**Description**

We are the Adult Learning Centre for Wawa and area residents, the local Literacy and Basic Skills site. We offer upgrading for those wanting to attain a high school diploma or challenge the GED (grade 12 equivalency). We support those who plan to write a college entrance test and offer Essential Skills for learners preparing for employment. We connect students to e-learning sites and provide a wide variety of health and safety training, as well as administrative skills training, through HR Downloads. From year to year, we work with up to 87 anglophone and francophone learners through one-on-one support or self-directed study. Our center is small, confidential and welcoming to all!
